

VIRTUAL FIELD TRIPS

CHECK OUT OUR VIRTUAL OPTIONS FOR YOUR CLASSROOM...

VIRTUAL FIELD TRIPS

An exciting professionally produced virtual program with pause/play functionality featuring a Georgia Aquarium instructor. Designed with flexibility in mind and ideal for all students, especially those who have never visited Georgia Aquarium before. Virtual Field Trips range from 18-30 minutes in length. Available Monday-Friday.

LIVE VIRTUAL OUTREACH

An engaging, scheduled, video chat style program led by a Georgia Aquarium instructor in real-time in one of our classrooms. Ideal for students that have attended a virtual field trip or visited Georgia Aquarium before. Available select dates/times. Please check with us for availability.

VIRTUAL GALLERY TOURS

An astonishing walk-through of our animal galleries. Several animal gallery options to choose from! A perfect supplement to your Virtual Field Trip or Virtual Outreach program! Available Monday-Friday.

| | Scheduling Flexibility | Download Needed | Pause/Play Functionality | Real-Time Live Program | Pre/Post Program Materials Included | National Science Standards | Georgia Standards of Excellence |
